TALL COP SAYS STOP

Jermaine Galloway has been working against community alcohol and substance abuse problems for the last 11 years. During that time he has seen a lot of changes occur in our society and with our youth, whether at a large underage drinking party, what can be found in some retail stores, at a town hall meeting, at a community event, during an assembly or in the classroom.

Jermaine Galloway's training will focus on logos, identifiers, terms, pictures, songs, or clothing items, possible stash compartments, right in front of you and you don't even realize its relevance in the drug or alcohol culture how can you prevent, reduce or stop it?

*** If you are interested in attending, please contact Kerstin Parsons at 208-547-1930. Please reserve a seat by Friday, September 12, 2014. There is limited seating and it will be a first come first serve basis.
