Retired Detective Joe Mathews will discuss the nuts and bolts of how he solved the infamous Adam Walsh case and talk about his experiences solving another internationally known case— the abduction murder of Andrea Parsons. He will detail the process and pitfalls of investigating these types of crimes, particularly child abduction murders related to sex homicides. He is co-author of the New York Times, Wall Street Journal and US Today’s Best Selling book titled “Bringing Adam Home” - The abduction that changed America”.

Dr. Lawrence Simon is a Diplomat of the American Board of Sexology certified as a clinical sexologist. He is the author of the book “Murder by Numbers: Perspectives on Serial Sexual Violence” and soon to be released “Mortal Desire: Origins of Sexualized Violence”. Dr. Simon has dedicated his services to law enforcement, legal and forensic professionals throughout the country. He will discuss the general thought process and mindset of violent sexual deviant pathology.
