Primary Instructor Information
STEVEN E. McGIBBON, MFS

Steve has over 33 years in law enforcement. He spent 12 years on the street as a police officer (7 years with Fairfax County Police, Virginia and 5 years with Liberty Police Department, New York) and retired as a federal agent from the Air Force Office of Special Investigation where he was a Special Agent and Forensic Consultant. He currently teaches throughout the USA and consults in bloodstain evidence and has recently done so for 3 police agencies in the Phoenix Metro area, as well as agencies in Idaho and New Mexico. He has testified as an expert in Bloodstain Pattern Interpretation in Mississippi, Washington DC, California, Arizona, Wyoming, and Maryland. He earned a Masters Degree in Forensic Sciences from George Washington University, a Fellowship Degree from the Armed Forces Institute of Pathology, and an Internship with Cook County Medical Examiner’s Office in Chicago, Illinois. He is a member of the International Association of Bloodstain Pattern Analysts. He has been a member of the American Academy of Forensic Sciences since 1989 where he has presented Bloodstain and Sexual Assault Cases at Academy Meetings. He has conducted numerous experiments involving blood, bloodstains and patterns. He has taught Bloodstain Familiarization in Arizona, Wyoming, New York, Idaho, Massachusetts, New Mexico, Utah, Connecticut and various locations throughout the U.S.
COURSE DESCRIPTION

This course is a forty hour course designed for detectives, crime scene investigators, and law enforcement personnel involved in crime scene investigation. Students will receive hands on training in logical ways to organize an investigation, medico-legal investigations of death, challenging photography techniques, use of light energy at crime scenes, chemical processes for latent fingerprint identification, presumptive testing for blood, chemical processes for enhancement of bloodstains as well as mock situations for the evaluation and processing of evidence. Students should have had some basic crime scene training or experience before registering for this class.
